

# Flags

**Green Flag** signals race begins or resumes.

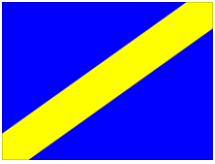

**Yellow Flag** signals caution.

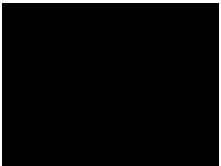

When the yellow flag is waved, the lap count reverts back to the last lap before flag was waved.

**Red Flag** signals racers to stop.

**Blue with Yellow Stripe Flag** signals to cars that they are lapped traffic and need to move to the outside to let the faster cars by.

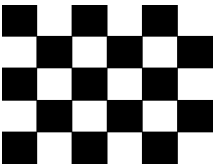

**Black Flag** pointed at a racer is a warning.

A Black Flag waved at a racer signals them to leave the race and exit the track.

**White Flag** signals one lap remaining.

**Checkered Flag** signals the end of the race. Once the checkered flag is waved to the winner, other cars shall continue to race to finish the current lap until they cross the finish line, then the race is over, no matter how many laps behind they are.
